

## Sustainability Policy

**Date of Review – January 01, 2026**

### Background

The Wesley, owned by The Methodist Church, operates two hotels in Camden

**The Wesley Euston** - Established in 1999, this hotel features 99 guest rooms, 20 meeting rooms, a bar, and a restaurant, located near Euston Station.

**The Wesley Camden Town** - Opened in 2022, this hotel offers 38 guest rooms in a BREEAM Excellent-rated building shared with Camden Methodist Church.

We manage The Wesley Euston on a 7-year lease and The Wesley Camden Town on a 50-year lease, taking responsibility for maintaining our buildings.

### Aims and Objectives

- Support The Methodist Church’s Net Zero by 2030 goal
- Set annual improvement targets and comply with legislation
- Minimise environmental impact by reducing carbon emissions, preventing pollution, and adopting sustainable practices

### Accreditations

- EPC Rating “B” for both buildings
- Green Tourism Gold accreditation
- ECO Smart Platinum (on both sites)
- Green Key
- Investors in People – Gold
- London Living Wage Employer
- Member of Camden Climate Change Alliance, recognised as a Carbon Champion
- Part of the Mayor of London’s Business Climate Challenge, aiming for Net Zero by 2030

### Our Approach

- Provide quality service while ensuring a safe, healthy workplace.
- Engage through our website, partnerships, and supply chain.
- Our Green Team identifies and communicates best practices and sustainability efforts.

### Policy Pillars

1. Educate employees on environmental issues.
2. Integrate environmental concerns into decision-making processes.
3. Promote environmental awareness among employees.
4. Minimise landfill waste, focusing on reuse and recycling.
5. Conserve energy and water, using 100% renewable energy tariffs.
